

## **Airport - Transfer**

From and to the airport for up to three adult guests including your luggage: **60,- EUR**

More than 3 guests require a second car. The transfer is a 3 hours drive across a 1700 meters high mountain pass from Denpasar on the south-west coast to Singaraja and Ciliks Beach Garden on the north-east coast of Bali.

We will be pleased to collect you from the airport. Please let us know the date, time and the airline company.

If you prefer to travel on your own, take the well maintained north-south itinerary between Tabanan, Bedugul and Singaraja. From the airport to Ciliks Beach Garden you need - depending of traffic density - three to four hours. But remember that – fatigued after a long flight time - you will be exposed to a traffic situation, which is very different from the usual traffic style in middle Europe.
